The applicant has to notify acceptance of the grant by returning the letter with his/her signature.

The grantee is required to submit to the STSM coordinator within 30 days after the end date of the STSM a short scientific report. **However, for STSM ending after November 20th grantee should submit his/her scientific report on December 1st at the latest to allow the process of evaluation and reimbursement.** The following information has to be included:

The STSM coordinator will approve the final report, and will send a "notice of completion" of the STSM, together with the short scientific report, to the Grant Holder. The Grant Holder will then execute the payment of the fixed grant directly to the grantee or the host institute, as requested in the application.
